

# MATRIMONIA PRESS

The chart below shows our house colours - use any combination of these inks on your invitations. We can also print in any pantone colour specified or we can mix a colour to compliment a sample swatch. (Please note: the colours as shown in this pdf will vary from monitor to monitor, and therefore should not be taken as an exact representation of how they will print).

## *Extras*

**Envelope Lining:** Enhance your invitation by lining the envelope in a colour that will match or compliment your ink choice. Silver and Gold lining is also available.

**Ribboning:** Ribbons in a spectrum of colours, and many tartans, are available.

**Plate Sinking:** A debossed panel creates a subtle shadow frame around your text.
